

## EQUIPMENT & RESOURCES

# Assistive Device Resources

### The device we recommend is:

- |                                                                  |                                              |
|------------------------------------------------------------------|----------------------------------------------|
| <input type="checkbox"/> Front Wheeled Walker with 5 inch wheels | <input type="checkbox"/> Four-wheeled walker |
| <input type="checkbox"/> Crutches                                | <input type="checkbox"/> Single Point Cane   |
| <input type="checkbox"/> Quad Cane                               | <input type="checkbox"/> Knee Scooter        |
| <input type="checkbox"/> Other: _____                            |                                              |

Below is a list of possible resources to assist you in acquiring your assistive device prior to your procedure.

### Retail stores

- Walmart
- Walgreens
- CVS
- Home Depot
- Amazon

### Equipment to loan

- South Metro Medical Equipment Loan Closet, 720-443-2013, [medicalequipmentloan.org](http://medicalequipmentloan.org)
- Also, consider reaching out to some local churches regarding possible equipment loan options

### Local Goodwill stores
