

CANADIAN CONCIERGE ORTHOPEDICS

YOUR SURGICAL JOURNEY

ADVANCED JOINT CARE. FOR CANADIANS.

From your complimentary consultation through your return home, our experienced team will guide you every step of the way.

1

COMPLIMENTARY CONSULTATION & SURGICAL PLANNING

Connect with us by phone,
email, or through our website.

Your complimentary virtual
consultation includes:

- Review of your medical history and imaging
- Discussion of treatment options
- Answers to all of your questions
- Personalized surgical plan
- Surgery scheduling
- Transparent pricing

2

TRAVEL TO DENVER

Our concierge team will help
coordinate your surgical
itinerary and provide
guidance regarding
accommodations,
transportation, and preparing
for surgery.

**Final travel arrangements and
expenses are determined and paid
for by the patient outside Canadian
Concierge Orthopedics.*

3

JOINT REPLACEMENT SURGERY

Your hip or knee replacement
is performed by one of our
Canadian fellowship-trained
orthopedic surgeons using
advanced, evidence-based
surgical techniques in a state-
of-the-art surgical facility.

4

RETURN HOME

Return home with detailed
instructions and a custom
recovery plan. We will
coordinate with your local
physician and rehabilitation
team to ensure a smooth
transition back home.

5

RECOVERY & CONTINUED CARE

Continue your recovery at
home with virtual follow-up
appointments and
coordinated care with your
local physician and
rehabilitation team. Our
clinical staff remain available
throughout your recovery.
